Review: Ive been beating my brains out on drums for over sixty years. This is the best book Ive ever read on the subject. Ive known many of the feelings about drums and drumming for years but Id never verbalized them. It was very good to see other drummers have the same thoughts.If you play, get this book.If youre thinking about laying down some filthy...

Description: The drummer is usually the least well-known member of any band. Yet behind every frontman is the person keeping the beat, and often acting as the musics driving force. In these incredible portraits, Deirdre OCallaghan places drummers squarely in the spotlight. Photographing her subjects in their private rehearsal spaces and residences - from studios,...
